

## 9.The song of the Jellicles and the Jellicle ball

### Group 1

Jellicle cats come out tonight,  
Jellicle cats come one come all:  
The Jellicle moon is shining bright  
Jellicles come to the Jellicle ball.

### Group 2

Jellicle cats are black and white  
Jellicle cats are rather small  
Jellicle cats are merry and bright  
And pleasant to hear when we caterwaul.

### Group 3

Jellicle cats have cheerful faces  
Jellicle cats have bright black eyes;  
We like to practise our airs and graces  
And wait for the Jellicle moon to rise.

### Group 4

Jellicle cats develop slowly.  
Jellicle cats are not too big  
Jellicle cats are roly poly  
We know how to dance a gavotte and a jig.

### Group 5

Until the Jellicle moon appears  
We make our toilette and take our repose.  
Jellicles wash behind their ears,  
Jellicles dry between their toes.

### Group 6

Jellicle cats are white and black  
Jellicle cats are of moderate size  
Jellicles jump like a jumping jack.  
Jellicle cats have moonlit eyes.

### All

We are resting and saving  
Our selves to be right  
For the Jellicle moon  
And the Jellicle ball.

Jellicle cats come out tonight  
Jellicle cats come one come all  
The Jellicle moon is shining bright  
Jellicles come to the Jellicle ball

Jellicle cats come out tonight  
Jellicle cats come one come all  
The Jellicle moon is shining bright  
Jellicles come to the Jellicle ball
