

## Reading at Home

In Year 1 we aim to not only support children in learning to read but also to develop a love of reading. Please help us to achieve this aim by reading the following information.

- In Year 1, children are expected to read at home every night to an adult. Each child has a reading diary which should be completed each time they read.
- In school children read with a member of staff every week and should bring their book and diary to school every day.
- It is also important to spend time talking about the plot, illustrations and characters, asking questions and making predictions.
- Please encourage your child to read widely (magazines, leaflets, recipes, signs etc) and when possible record these in your child's reading diary.
