

In Year 4, the children are expected to read at least 5 times a week for about 10 minutes. This can be done independently, although it is still important that your child reads aloud regularly to an adult as well. *The time spent asking questions about the text is as equally as important as the time spent reading.* Asking your child questions will give them time to reflect upon the text and ensure that they have understood the concepts within the book. Please ensure that reading books and journals are brought into school each day. The journals will be used to support communication between home and school as well as supporting assessments.
