

Spelling

In Year 1 we have a weekly spelling test. Each child has a Home Spelling Book where scores are recorded and new spelling lists are added. Please spend time practising these spellings at home during the week. Any words spelt incorrectly in the weekly test are highlighted in this book so they can be reviewed.

Spelling lists are either based on a certain sound from our phonics lessons or a particular spelling rule. Tricky words are sometimes included and these are words which children cannot sound out using their phonics knowledge (the, said etc).
