

# Year 3 Newsletter

## Dear Parents

It's hard to believe we're in the final half term of this academic year. The year has flown by as always and we move into one of the busiest half terms of the year.

### Topics

Our topic for this half term will be 'All things bright and beautiful'. We are going to explore a

variety of interesting themes within this

topic. We will look at plants, the water cycle, lakes, rocks, mountains and sculpture influenced by Andy Goldsworthy. Most of our work will be based around the Lake District.

### Educational Visit

As part of our topic, I have planned an educational visit to Dove Cottage on 11th July. We plan on leaving school at

9:00 am and are due to return to school at 4:30 pm. Throughout the day the children will be sketching, writing and taking a tour of the grounds.

### PE

Last half term, a large number of pupils did not have the necessary PE kit to take part in PE sessions.

This meant that they had to borrow items from lost property. All PE kits should remain in school for the duration of the half term. We will try to hold our PE sessions outdoors if the weather is fine so trainers would be more appropriate for this, but PE pumps are important to have in school in case of inclem-

ent weather.

### Water Bottles

Some children are still not bringing water bottles in to school. The weather should be getting warmer now and the children need to keep hydrated, so please make sure a water bottle is given to your child on a daily basis. It is also a good idea that they have sun cream and a sun hat.

Thank you for your continued support.

Mrs Blake

Summer Term 2

6th June 2018

### **Special points of interest:**

- *School Trip to Dove Cottage is on Wednesday 11th July.*
- *WOM Thursday 28th June.*
- *Move up day is Monday 2nd July, where the children get to experience their next class.*
- *Thursday 19th July school final assembly.*
- *Friday 20th July, break up for summer.*
